

"The service profile."

We would like to introduce our organization's assistance protection and services. We offer a wide range of services including housekeeping, cleaning, event management, caretaker outsourcing, and all types of manpower services. Our mission is to provide high-quality services to our clients and to enhance the professional capabilities of our frontline executives through continuous training. Our vision is to offer value-based services to our clients at an affordable cost, serving as a one-stop solution provider.

We are a highly specialized service provider for clients in various industrial sectors. Our services are known for our "beyond in brief" approach, which keeps customer satisfaction at the core of our organizational agenda. We serve a diverse range of facilities including factories, malls, townships, offices, and residences. Our success lies in providing a one-stop shop for all types of facility services, including general housekeeping, canteen, and pantry maintenance for both government and private organizations. Our dedicated team not only enables us to deliver the desired services but also helps us achieve maximum customer satisfaction by providing better services within the agreed timeframe.

Vision...Mission.....value...

"Our vision is to become the leading professional manpower provider in the industry by surpassing our customers' expectations and fostering strong client-agency partnerships while valuing each employee. Our mission and values are aimed at exceeding the expectations of both internal and external customers to pleasantly surprise them. It is our responsibility to provide the best possible service and assistance."

Training and checking of employ

WE **ASSISTANCE PROTECTION AND SERVICES** are committed to providing comprehensive training to every employee to ensure their proficiency in maintaining a secure environment and delivering diverse services. Our team members are well-versed in maintaining discipline and adhering to their designated schedules. It is our priority to regularly assess and monitor our staff to guarantee impeccable customer service and fulfill their requests to the best of our abilities.

"We are fully committed to delivering a professionally trained and highly motivated task force to safeguard clients' assets, operations, and personnel under any and all contingencies. We confidently undertake all facilities and training, taking swift action for advanced preparation, and providing exceptional assistance to our customers."

Our communication is directly linked with all employees and field officers. The field officers deliver comprehensive training to every employee. In our company, we firmly believe that supervision is a vital aspect of successful protection. We are confident that exceptional supervision seamlessly integrates elements of support, guidance, and professional development.

Customer satisfaction...

At "Assistance Protection and Services," our customers are our top priority. We diligently reassess the quality of our services to proactively identify and address

every customer's needs, ensuring exceptional satisfaction. Through proactive client engagement, we effectively manage our contracts, conduct thorough day and night checks, and implement robust improvement measures. We actively encourage and act upon client suggestions to continuously enhance our service delivery.

Responsibilities of Our Caretaker:

1. To be visible
2. To be vigilant
3. To respond quickly in dangerous situations
4. Observing and reporting
5. Getting help
6. Checking and monitoring
7. Maintaining order among people
8. Receiving guests and taking care of them
9. Performing other special duties
10. Our caretaker's responsibility is to offer safety warnings and tips

*Terms and conditions

"Our company highly values our customers and their feedback. We expect our customers to contact our dedicated customer service representatives for any inquiries or requests regarding our services. If any changes are needed, we require direct communication with the company so that we can promptly address their needs effectively. For specific service requirements, we encourage customers to reach out to the company directly for swift assistance."
